

# SNOWMAN DIRECTIONS

Go to change color go to **far** right 3rd square bottom right corner and get a light light blue background.

Go to the shapes and make 1 big white circle, 1 medium white circle, 1 small white circle then stake them small to large in the middle bottom of the page.

Make 4 small black circles 5 medium black circles then go to shapes click the triangle and make it orange then go to the top circle and take 2 medium circles and make eyes next make a mouth with the rest of the circles.

Make 4 short brown thick lines and put them on the top of the middle circle.

Make 1 long thin black line and put it on top of his head.

Then make 1 rounded black square and put it on top of the back line on his head.

Then put a grey line in the middle of black square.

Now you have the best snowman EVER!!!!!!!!!!!!!!
